WELCOME TO PAUDC ABUJA

We are excited to welcome you to the Pan-African Universities Debating Championship (PAUDC) 2026 in Abuja, Nigeria.

To make your journey as smooth as possible, we have prepared this guide to help participants understand Nigeria's visa requirements, prepare the necessary documents, and access visa support from the PAUDC Abuja Local Organising Committee (LOC).

Whether you are attending as a debater, adjudicator, coach, observer, or institutional representative, this guide outlines everything you need to know before travelling.

DO I NEED A VISA?

Your visa requirements depend on your nationality.

ECOWAS Nationals

Citizens of ECOWAS member states do not require a visa to enter Nigeria. If you are travelling from an ECOWAS country, you may enter Nigeria using a valid national passport or an ECOWAS Travel Certificate, subject to standard immigration procedures on arrival.

Non-ECOWAS African Nationals

Participants travelling from non-ECOWAS African countries will generally require a visa before travelling to Nigeria. For PAUDC 2026, eligible participants should apply through Nigeria's electronic visa system using the F4A International Conference Visa, which allows applicants to complete the application online without visiting a Nigerian embassy in most cases.

HOW PAUDC 2026 OC WILL **SUPPORT YOUR VISA APPLICATION**

We understand that applying for a visa can be one of the most important parts of preparing for an international tournament. The PAUDC Abuja Local Organising Committee is committed to supporting registered participants throughout the process.

Once your registration has been confirmed, we will provide an official invitation letter that includes your name, passport details, institutional affiliation, role at PAUDC, and the official dates of the championship. This document will support your visa application and confirm your participation in the tournament.

If you require a visa support letter, please contact the PAUDC Visa Team and provide the following information:

- Full name (exactly as it appears on your passport)
- Passport number
- Your role at PAUDC (Debater, Adjudicator, Coach, Observer, etc.)
- Institution or organisation you represent

Providing accurate information will help us prepare your documents as quickly as possible.

DOCUMENTS YOU WILL NEED

Before submitting your application, ensure that you have the following documents ready:

- A passport valid for at least six months with a minimum of two blank pages.
- Your official PAUDC 2026 invitation letter.
- A confirmed return flight itinerary.
- Proof of accommodation in Abuja, such as a hotel reservation or university accommodation confirmation.
- Recent financial evidence demonstrating sufficient funds for your stay.
- A valid Yellow Fever Vaccination Certificate, which is required for entry into Nigeria.

Preparing these documents in advance will help reduce delays during your visa application.

HOW TO APPLY FOR YOUR VISA

If you require a visa, follow these steps:

Step 1: Visit the official Nigeria e-Visa Portal and create your account.

Step 2: Complete your application by selecting the F4A International Conference Visa category and entering your travel details.

Step 3: Upload your PAUDC invitation letter together with the required supporting documents and pay the applicable visa fee online.

Step 4: After your application has been processed, you will receive a Visa Approval Letter containing a QR Code by email. Print this document and travel with it. Your physical visa will be issued upon arrival at Nnamdi Azikiwe International Airport in Abuja.

TRAVEL PREPARATION

Before travelling to Nigeria, we encourage all participants to:

- Confirm that your passport remains valid throughout your trip.
- Apply for your visa as early as possible.
